

UNIVERSITY OF NAIROBI

EXTERNAL JOB VACANCIES (PROJECT POSITION)

Applications are invited for the following position:

INFECTION PREVENTION CONTROL NURSE, MAP-AMR PROJECT - AD/2/25/22 - (4 POSTS)

The Project

The University of Nairobi, Department of Clinical Medicine and Therapeutics has been awarded a five (5) year research grant by Centre for Disease Control (CDC) under the title, “*Monitor and Prevent Antimicrobial Resistance in Kenya (MAP-AMR Kenya)*”. The Project will be conducted in three (3) hospitals, namely: Kenyatta National Hospital, The Nairobi Hospital and the Spinal Injury Hospital (Nairobi). The Project seeks to competitively fill the above named position.

The Position

This is a full time position distributed in the three (3) project sites: Kenyatta National Hospital, The Nairobi Hospital and the Spinal Injury Hospital (Nairobi), with the holder of the position reporting to the Medical Officer.

Job description

- Administer screening and enrollment questionnaire to patients in target wards/units
- Conduct screening for *C. auris* colonization in target wards/units
- Maintain a register of all samples collected and ensure results are received and updated on the appropriate patient records
- Ensure data is collected accurately and resolve any discrepancies with the data team
- Train and mentor clinical, auxiliary, housekeeping and environmental services (public health) staff in infection prevention and control of antifungal resistant pathogens
- Prepare weekly, monthly and quarterly reports.

Job specifications

- An applicant must have Kenya Certificate of Secondary Education or its equivalent with a pass in English

- He or she must have a Diploma in Kenya Registered Community Health Nurse or a Bachelor of Science degree in Nursing, or equivalent
- Must be registered with the Nursing Council of Kenya and have a valid practice license
- Should have additional training in infection prevention and control
- He or she must have at least five (5) years working experience, post qualification
- Experience in donor-funded projects or clinical research especially in antimicrobial resistance (AMR) will be an added advantage
- Be a team player with excellent communication skills

Terms of appointment

This a position whose tenure is one (1) year contract renewable based on performance and by mutual consent.

NOTES

1. Applicants should email their application letters, certified copies of certificates and curriculum vitae (CV) giving details of their qualifications, experience and three (3) referees, as well as indicating their telephone and e-mail contacts.
2. Applications and related documents should be forwarded through applicants' Heads of Departments, where applicable, and be addressed to the Director, Human Resource, University of Nairobi.
3. Applicants should state their current designations, salaries and other benefits attached to those designations.
4. The application letter must bear the reference code indicated in the advertisement.
5. Late applications will not be considered.
6. Applications should be emailed to recruit-ipcnmap@uonbi.ac.ke as one file in PDF.

CLOSING DATE: FRIDAY, FEBRUARY 25, 2022

**THE UNIVERSITY OF NAIROBI IS AN EQUAL OPPORTUNITY EMPLOYER.
ONLY SHORTLISTED APPLICANTS WILL BE CONTACTED.**
